IMAGINE Software Welcomes Delena Supinski, New Regional Account Executive

Charlotte, NC – Technology Partners, Inc. (dba IMAGINE Software), a leading provider of medical billing technology, is proud to announce and welcome Delena Supinski as regional account executive.

In this position, Supinski will coordinate sales activities for IMAGINE Software products and services in the Western United States, while working to provide guidance and build strong relationships with new and existing clients. She offers extensive experience in multi-specialty practice management software, radiology information systems, client services management, and billing start-up operations.

Prior to joining IMAGINE, Supinski served seven years in a management capacity for a healthcare IT solutions company, where she provided client services resolution, workflow analysis, project management, utilization review and sales support. In her 20+ year career, she has owned a medical billing company in Northern California specializing in radiology, DME, internal medicine, ophthalmology, and general medicine; partnered with Barton Memorial Hospital in Northern Nevada to build a multi-specialty clinic with 32 physicians; and worked as director of a radiology medical center in Virginia, assisting in billing office workflow and building imaging centers. Supinski is also involved in several charitable organizations, including Autism Speaks and the Leukemia Foundation, where she is an active speaker. In addition, she personally offers a scholarship to deserving individuals each year.

“Over the past 10 years, I have watched IMAGINE Software become an outstanding leader in the healthcare industry, offering cutting-edge technology and stellar solutions to clients for their ever-changing practice management needs,” said Supinski. “I constantly hear current customers rave about the IMAGINeradiology™ system, and I look forward to helping these and future clients make well informed decisions that will enhance and contribute to their future success. I am very excited and honored to be a member of the IMAGINE team.”

“Delena brings a high level of experience, enthusiasm, and integrity to this position that aligns with IMAGINE’s core values,” stated Frank Hayes, vice president of sales for IMAGINE Software. “Her revenue cycle management skills, information technology expertise, and practice management know-how allow her to recognize and provide forward-thinking solutions and reliable service to clients. She promises to be a perfect fit for us, and we are extremely pleased to have her on board.”

About Technology Partners, Inc. (dba IMAGINE Software) and IMAGINeradiology™

Technology Partners, Inc. (dba IMAGINE Software), a Microsoft® Gold Certified Partner, has led the way in innovation of automated medical business management solutions for ten years with its flagship product, IMAGINeradiology™.
