IMAGINE Software Finishes 2010 with Record Number of New Contracts

Charlotte, NC – Technology Partners, Inc. (dba IMAGINE Software) announces the signing of a record number of new contracts from across the United States in Q4 of 2010.

The new agreements consist of multiple hospital-based and physician-based billing services facilities located in California, Pennsylvania, Minnesota, Oklahoma, South Carolina, New York, Virginia, and Alabama. Overall, the company saw an exceptional year in 2010 with a total increase of 32.5% in new clients over 2009, demonstrating steady and continuous growth within IMAGINE's progressively expanding client base.

"The strong display of customer support that we are seeing adds to our momentum and is continued evidence that IMAGINeradiology™ is a proven reliable and efficient system that provides the advanced technology practices are looking for to help improve productivity while decreasing costs," stated Sam Khashman, CEO of IMAGINE Software. "In today's market, we are thrilled by the number of new clients, as well as encouraged that these clients have recognized our system and customer service as a critical part of their ongoing success."

About Technology Partners, Inc. (dba IMAGINE Software) and the IMAGINE system

Technology Partners, Inc. (dba IMAGINE Software), a Microsoft® Gold Certified Partner, has led the way in innovation of automated medical business management solutions for ten years with its flagship product, IMAGINeradiology™. A vast array of Microsoft-inspired tools and features allow IMAGINE 10™ to offer complete integration. The IMAGINE System has been heralded for its ability to streamline the billing/collections process, improve staff productivity and increase practice profitability with unsurpassed processes. IMAGINE offers its own Smart Imaging Technology, an Auto Coder feature, Appliance Processing, an EOB Reader, and Direct-To-Payer Claims Submissions, as well as electronic remittance. The IMAGINE team offers cutting edge products and services that are revolutionizing workflow automation for practices and billing offices. With the full support of its customers, leadership, and partners, TPI provides solutions that expand to accommodate the changing needs of today's medical practices.
